Balboa Park 2015 Centennial-Executive Director Search

The Steering Committee for the 2015 Centennial Celebration of the 1915 Panama-California Exposition in San Diego's Balboa Park is preparing to commence a search for an Executive Director to guide the planning and execution of the event. The role of Executive Director can be filled by a qualified individual who will build an executive management team, or by an experienced contractor who will access a team of sub-contractors to fill key management and operational positions.

If you are interested in being considered for management of this search process, we request that you submit electronically, any materials and information relative to establishing your qualifications for conducting this search. Upon the selection of qualified vendors, we will supply each with a detailed job description and at that time request a proposal, including a cost estimate, for conducting this executive search.

Please submit your qualifications electronically **by 12:00 noon, Monday January 3, 2011**, to Mr. Lorin Stewart at lstewart@sdtmd.org
