Terzi presented the SD North proposed marketing plan. SD North has 46 hotels. 23 of the 46 are limited service hotels. Convis has worked to categorize all of the hotels and develop specific tactics for each. In addition, Terzi described a consolidation of the sports marketing budgets of Convis, SD North and the Sports Commission. Lorin Stewart mentioned that the sports consolidation is a trial effort. Bartell stated that the idea is very exciting. This is the first time that there is a consolidation city-wide. Kerri Verbeke Kapich provided details on the advertising strategies. Rauch presented the revised detailed budget, including summaries by department and details on proposed expenditures over the next 3 quarters.

Marketing should be paid on a 100% reimbursement basis. Sales: 95% because 95% of sales have been into TMD hotels. 80% for G&A. Meredith Dibden-Brown stated that the city is supportive of those percentages.

Lorin Stewart said today, October 22, 2010, is the deadline for applications for FY 2012 requests. Terzi gave an update on PCMA. Hampton Brown from the Airport Authority presented an introduction to the proposed UK British Airways promotion. He said that the UK is SD’s largest overseas market. He described the new British Airways flight direct from Heathrow. He detailed the opportunities to partner to gain maximum yield from the new route.

Incremental – asking for $500,000 over 2 years. Brown asked about BA’s commitment to keep the route for 2 years. Terzi said that the destination has made a commitment to support the effort. Khaleghi asked about the commitment. Terzi said that the commitment so far is to do the necessary marketing. The airport has made a $750,000 commitment. The port has not made a commitment yet. Khaleghi said he is supportive of the proposal. Khaleghi asked about how TMD revenue is going compared with the budget.
Bartell asked about level of request from the Port. Rauch asked about the World Travel Mart. Khaleghi asked why the TMD is being asked for $600,000 without a ROI evaluation. Terzi said it was a good estimate. In addition, he said they probably would be requesting approximately $100,000 from the Port.

Terzi provided information on the request to fund PCMA. He reviewed the $800,000 requested and the projected ROI. Brown commended Terzi, Kidd and the Boards of Convis and SD North on developing the proposed program. Lorin Stewart thanked everyone for their participation in the SDSU Course survey.
