BRIEF DESCRIPTION OF YOUR ORGANIZATION OR COMPANY:
The Stephen Pierce Foundation (SPF) is a non-profit organization which is committed to improving and providing educational opportunities for financially underprivileged youth by mentoring student athletes and providing scholarships to deserving students. Since 1998 the foundation has promoted, produced and marketed the NFL Pro Bowl galas and the NFL Retired Players Convention.
YOUR ORGANIZATION MISSION STATEMENT OR STATEMENT OF PURPOSE:

The Stephen Pierce Foundation (SPF) is dedicated to opening the door of opportunity to financially underprivileged youth through education, mentorship and scholarship programs, which as a result maximize academic potential and increase success.

YOUR ORGANIZATION’S PROGRAMS AND SERVICES:
Briefly describe your core programs and services and describe any plans for change, growth, or reduction in the proposed year. Please limit your response to one page.

Mock Trial Program – The Stephen Pierce Foundation (SPF) recruited and sponsored a high school mock trial team which soared to success. Out of 28 high schools the team placed 6th and was honored by several San Diego organizations, including Bar Associations and Women’s organizations. The Foundation provided a mock trial court room set-up, educational materials, supplies and transportation. The foundation elected to fund and sponsor this particular team because it is located in a gang-infested, high crime, low income neighborhood. The Foundation also co-sponsored one of the team members to attend a summer mock trial institute in Washington, D.C. The team provides an opportunity for students to develop public speaking, writing and social skills. The program also encourages team work and offers the opportunity to learn court room decorum. The program serves 150 students per year.

SAT Prep Tutoring Program – The Foundation created an SAT prep tutoring program for financially challenged students who cannot afford SAT Prep Courses, which cost between $500 and $2,500 per student. The Foundation recruits college students to teach SAT Math and English with the goal of narrowing the substantial gap between the SAT scores of students who possess financial means to pay for SAT prep Courses and students who lack those resources. This program serves 75-100 students each semester.

Toys-for-Tots Program - The foundation also produces a Toys-for-Tots program for financially challenged families to make certain that as many children as possible are reached with a vibrant holiday stage production and toys. This program generously assists financially struggling parents and serves 300 children each year.

Scholarship Program – The foundation raises funds through a series of fundraisers throughout the year, ranging from phone banks to live auctions. The program supports college scholarships to financially challenged high school students who live in underserved communities. The Foundation also provides book grants. The program serves 125 students each year.
